---

May 2023

Dear Parent / Carer

We have been notified that you have been offered a place at Beverley High School to start in September 2023. We are delighted that you have made the decision to choose our school and look forward to working with you over the next seven years as we take your child through their secondary school and sixth form career. Please find enclosed our first piece of information gathering which we will use to start building our knowledge of Ashanti and their family. There will be visits from our pastoral team to some of the larger primary schools sometime in May where further information packs will be given out for you to look at. Packs will be posted directly home to those who are not visited. These include details about the school day as well as the practicalities like uniform. Induction day will be held on Tuesday 4 July, more information will be sent out nearer the time.

From a personal perspective, it was good to see so many students and parents at our Open Evening in October 2022. I enjoyed meeting so many of you and hearing about your child's enthusiasm and ambitions. I am sure that whatever dreams or aspirations your child has we can help them make them come true. Please keep an eye on our school website at [www.beverleyhigh.net](http://www.beverleyhigh.net) and also follow us on twitter as this will contain useful information about projects and other exciting developments that your child may become involved in.

Finally, we are starting to plan for next year's Open Evening. It would be useful if you have any feedback on what you thought of the event you attended last year – positive and negative. I would be happy to receive this to my email at [s.japp@beverleyhigh.net](mailto:s.japp@beverleyhigh.net)

We look forward to working with you in your child's transition to secondary school and beyond.

Yours sincerely

Ms S Japp  
Headteacher
