March 2024

Dear Parent/carer,

We would like to invite you to a (rearranged) virtual information evening on Tuesday 19th March 2024 from 5:30-6:30 to explore aspects of Personal Development at Beverley High School, including:

- The Tutor Programme
- PSHE
- The Knowledge Hub website
- The 'Be Curious' super-curricular programme

The intention is to have our school values at the centre of the personal development programme and to extend your child's thinking and understanding about society, politics, and culture from year 7 to 11. The aim is for students to leave school with the confidence to inform their own opinions, whilst continuing to be curious about the world around them.

This meeting has been rearranged from the originally planned meeting in February 2024.

This information will be particularly relevant for year 7 parents/carers.

Yours sincerely

S Brownell
