Information for Students

BEVERLEY HIGH SCHOOL

Beverley High School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Beverley High School (the Centre) is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Beverley High School will ensure that candidates are informed of their centre assessed marks so that they may request a review of the Centre's marking before marks are submitted to the awarding body.
2. Candidates may request copies of materials to assist them in considering whether to request a review of the Centres marking of the assessment.
3. Beverley High School will, having received a request for copies of materials, promptly make them available to the candidate.
4. Beverley High School will provide candidates with 5 working days to review copies of materials and reach a decision.
5. Requests for reviews of marking **must** be made within the timescale in point 4 above, in writing, **and** explain the reason for the request for a review of an internally assessed mark.
6. Beverley High School will plan sufficient time for the review to be carried out, to make any necessary changes to marks, and to inform the candidate of the outcome, all before the awarding body's deadline for submission of centre assessed marks.
7. Beverley High School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Beverley High School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the Centre.

9. The candidate will be informed in writing of the outcome of the review of the Centre's marking.
10. The outcome of the review of the Centre's marking will be made known to the Head of Centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the Centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. Marks can go up, remain the same, or go down. This process is outside the control of Beverley High School and is not covered by this policy.
