

East Riding of Yorkshire SEND Parent Carer Sessions 2021

Developed in Partnership with the East Yorkshire Parent Carer Forum (EYPCF), Clinical Commissioning Group (CCG) The Young Leaders of the East Riding (T.Y.L.E.R) and East Riding of Yorkshire Council

A number of virtual sessions have been organised for parents and carers of children and young people aged 0-25 years to provide information about Special Educational Needs and Disabilities (SEND) services. The purpose of these sessions are to improve the communication and engagement that services have with parents and carers, and to provide information about staff and team roles.

Accompanying information

Children and young people's specialist services warmly invite parents and carers to these sessions to be held via Microsoft teams. Parents and carers are welcome to book onto the session through Eventbrite (Links to book are below).

Confirmation emails from Eventbrite will contain the link to attend the meeting.

If you have booked a ticket but can no longer attend the event then please email ben.fisher@eastriding.gov.uk and the ticket will be made available for somebody else.

For those parents and carers who do book, the speakers welcome your pre-session questions to be sent to specialistservices.hub@eastriding.gov.uk and received no later than one week before the session. This provides sufficient time to look in detail at these questions and to be able to answer as many of these questions as possible during the presentation.

The Microsoft teams chat will be monitored and responded to in real-time or within 2 weeks of the session.

For us to provide useful, informative and engaged sessions, the numbers of parents and carers will be limited to 40.

At the end of the session, the parents and carers attending will be asked for their feedback and comments. Some monitoring information will also be asked for (location, stage in SEND process etc). All responses will be anonymous.

If you have any questions about the sessions, please contact ben.fisher@eastriding.gov.uk

We look forward to seeing you.
