Dear Parent/Carer and Student

## Key Worker/Vulnerable Children

I hope that this letter finds you well.

As we come to the end of this current lockdown of schools I would like to congratulate your child for adapting yet again to the situation they have found themselves in. Sitting in a computer room for up to five hours a day accessing lessons through headphones is not easy, but they have got on with it and demonstrated their adaptability and resilience.

If your child is still accessing Key Worker/Vulnerable Child provision next week ahead of their year group's Return day they will need to arrive at school at 8.45am wearing full school uniform and a face covering. They must enter via the pedestrian gate and **go directly to their form room for registration**. They will no longer be bubbled with other Key Worker/Vulnerable Children, they will be following the timetable that they followed in the Autumn term, in their normal timetabled classrooms, supervised by their regular teachers.

I am sure that they are looking forward to returning to a somewhat more normal school experience to that which they have experienced for the last eight weeks!

And to those Key Worker parents/carers, thank you for all your work in keeping services running throughout this lockdown.

Take care and stay safe

Yours sincerely

Sharon Japp  
Headteacher
