21 September 2020

Dear Parent/Carer

I am writing to inform you that we have received confirmation that an individual, not within your child's school bubble, has tested positive for COVID-19. The affected individual presented no symptoms whilst attending school, but in line with Public Health guidance has now entered self-isolation.

The school is vigilant in following government and local authority guidance and because of the circumstances of this case it has not been necessary on this occasion to advise any other member of the school community to enter isolation. The school is fully open to all pupils and staff.

Information about coronavirus (COVID-19) is available on the government website:
<https://www.gov.uk/coronavirus>.

The health, safety and wellbeing of our staff and children is of paramount importance and we thank you for your continued support during these unprecedented times.

Take care and stay safe.

Yours sincerely

Sharon Japp
Headteacher
