Dear Parent/Carer

Key Worker/Vulnerable Children Accessing On-Site Provision

Following the Prime Minister's announcement yesterday evening of a full national lockdown, there will be some changes to the provision for vulnerable children/the children of key workers in school.

From tomorrow (Wednesday 6th January 2021), students will be in new bubbles according to their year group. There will be one bubble for each of Year 8, 9, 10 and 11 and there will be two bubbles for Year 7. One teacher will be supervising your child/children throughout the school day. Students will be roomed in IT rooms so that they can access remote learning along with the rest of their class and today they have been issued with a set of headphones which they should bring with them to school each day.

The school day will commence at 9.00am rather than 8.45am. The school day will end at 3.00pm as usual. On arrival tomorrow, your child should report at 9.00am to the following room:

Year 7 B/D/N – AD3

Year 7 S/W – AD2

Year 8 – M3

Year 9 – M6

Year 10 – AT5

Year 11 – Sixth Form Common Room

From tomorrow students do not need to wear school uniform, however what they wear does need to be appropriate for a day at school and given current temperatures and the ongoing need for ventilation, they should dress warmly.

You should already have received information about school lunches.

Take care and stay safe

Yours sincerely

Sharon Japp
Headteacher
