May 2018

Dear Parent/Carer

As part of my student voices sessions with pupils in the spring term, Year 9 girls told me that their lives in schools could be improved if we changed the school PE kit. Their reasons were specific and valid. Beverley High School has not changed its school PE kit for well over 10 years and in that time fabrics and styles of sportswear have improved significantly.

I have met with the PE department and with a number of suppliers of school PE kits and fed back to the girls who raised the issue directly with me and to all of Year 9 in a recent assembly.

I am pleased to tell you that from September 2018 for the new Year 10 (current Year 9) the school PE kit will change to consist of:

- a Trutex Akoa navy and blue sector polo shirt made from moisture control fabric
- a warm Trutex Akoa navy and blue sector outdoor mid-layer top
- one of: plain navy cycling shorts / Trutex Akoa sector skort / Trutex Akoa navy leggings

This new kit will be more breathable and the choices of short/skort/legging will help all pupils to feel comfortable when exercising.

As with any change to uniform requirements, I am mindful of cost. The average cost of the three items above is £54. Those eligible for pupil premium should refer to information sent out by Mrs Calcutt.

The supplier will be Trutex Akoa, except for the navy cycling short which will be available from Beverley Music Centre on Norwood – the same shop that sells the regulation school skirt and school trousers.

We know that many parents prefer to order on-line – this service is available, after half term, from Trutex Direct. Log onto [www.trutexdirect.com](http://www.trutexdirect.com) and register using The Trutex LEA code for our school which is: **LEA00951SC**. This will take you to the **Beverley High School** page, where you can see all items of our school PE kit for next year's Year 10. The site is secure and orders can be placed direct with Trutex. Alternatively, you can order from Trutex Direct by phone, call 01200 421206.

Yours sincerely

Ms S. Japp  
Headteacher
