April 2019

Dear Parent/Carer

School uniform

The presentation of uniform is something upon which the school prides itself and standards are high. We would like to thank both pupils and parents for your co-operation and inform/remind you of some recent updates with regard to school uniform.

Following consultation, pupils have requested that the school PE kit be amended to include a darker coloured top. In response to this, there have been some amendments to the PE dress code for pupils, which will be introduced across the school from September 2019. There will be a transition phase of two academic years, during which both styles of PE kit will be acceptable. There is no requirement to purchase new items unless they need replacing.

May we also take this opportunity to remind you that, from September 2019, the school regulation skirt is a pleated style skirt. Pupils can also choose to wear trousers, of which there are several styles. The only amendment to this relates to pupils entering **Y11** in September 2019. Pupils who enter Y11 in September 2019 will be able to continue wearing the straight style skirt. This amendment will apply for this year only. However, **all** school skirts must be **no shorter than 3 inches above knee length (approximately the length of a standard credit/debit card)**.

Pupils who "roll up" their skirt to make it shorter, or otherwise try to amend the design of the uniform, will be issued with a sanction; this is likely to involve the loss of social time.

Should pupils arrive at school wearing incorrect uniform then they may be offered uniform loaned to them by the school or issued with a sanction. Please help us to avoid this by ensuring that your child is dressed in the correct uniform. You will receive a further update letter at the end of the school year.

Please see school uniform code overleaf for your information and refer to this if purchasing new items.

If you wish to discuss this further with the school, then please contact the relevant Year Leader or Assistant Year Leader as indicated below.
Thank you for your support.

Yours sincerely,

Mrs J. Howarth
Assistant Head Teacher
