22 May 2020

Dear Parents/Carers and Students

I hope that this letter finds you safe and well.

Thank you to the 220 parents/carers who completed the one question survey earlier this week regarding the possible return of Year 10 and Year 12 students in June if schools are asked to provide some face to face contact. Thank you also to the parents/carers who continue to email messages of support and gratitude, they are very welcome and appreciated by staff.

I appreciate that there has been a lot of media noise in the last week around the issue of schools reopening, however, as I explained in my letter of 18 May, we are still awaiting the government guidance for secondary schools, which has yet to be published. I will write to you again in week beginning 1 June when hopefully there will be greater clarity.

Today would ordinarily have marked the start of the May half term holiday and school will be closed next week. I hope that you all take a break from home-schooling to recharge your batteries in whatever way you find most beneficial.

Take care and stay safe.

Kind regards

Sharon Japp  
Headteacher
