May 2019

Dear Parent/Guardian,

Casio has stopped production of their popular **Casio FX 83GTPLUS** calculator and replaced it with an upgraded version **Casio fx-83GTX-S**. The new calculator has additional features such as clearer display, clearer menus, faster processor and 14 additional functions. Pupils do not need to buy a Casio fx-83GTX-S if they currently have a Casio FX 83GTPLUS.

The School is able to offer, for purchase, the **Casio fx-83GTX-S** calculator at a price much cheaper than is normal in the shops, as long as the calculator is bought to be used mainly in lessons and for homework. The calculator is appropriate for all courses in Key Stages 3 and 4.

We are offering:

Casio FX 83GTPLUS for £8.25 suitable for all KS3 and 4 pupils

This calculator is on sale online and in normal retail outlets and can be viewed there.

I must add that the School cannot take any responsibility if the calculators break down. In such an event you will have to return the calculator to Casio.

If you wish to make order a calculator, please pay through your child's parentpay and ask your daughter to collect the calculator from Mrs Brooke's office.

Yours sincerely,

Mrs C Brooke
Head of Mathematics
